■ Installation
All models include a wall template and come pre-assembled for quick, easy, and efficient installation.

■ Installation Surfaces
Double wood stud structures, structural concrete and cinder block surfaces. For metal stud installation, use Crimson HT toggle bolt hardware.

■ Fully Adjustable
Simplified post-installation vertical adjustment and screen leveling. Side adjustment capability (pre or post installation) for precise placement, corner mounting and centering.

■ Smooth Lockable Tilt
Unique balanced smooth-tilt feature eliminates typical friction adjustment.

■ Stylish
*Stylish, heavy duty design includes covers and cord management.*

■ VESA Compatible
Series covers all VESA patterns to 800x600mm.

■ Construction
Fabricated from high-grade cold rolled steel and aluminum with durable epoxy powder coat finish. Includes a complete array of high-grade fasteners, in a pre-sorted hardware pack for easy selection. UL Listed.
