The Ultra arm is protected by U.S. Patent 9,243,743

Create your ultimate workstation with the unique, patented Ultra 180 system

- **SLEEK, VERSATILE DESIGN.** The Ultra 180 can be configured to your specific needs. Ideal for computer workstations and for mounting medical and industrial devices.
- **ERGONOMIC.** Relieve eye, neck and back strain by easily moving arm to the most comfortable position. Keyboard adjusts to positive, neutral, and negative tilt for maximum ergonomic benefit.
- **MONITOR ROTATES** for portrait viewing of images and pages. Eliminates scrolling.
- **EXTENDS AND RETRACTS.** Effortlessly push your display out of the way when it's not in use.
- **COMPACT.** The Ultra 180 stows just 10" (25.4 cm) from the mounting surface, making it the perfect choice for tight spaces.

Specifications—Ultra 180

Load capacity	32 lbs (14.5 kg)
Vertical adjustment range	16" (40.6 cm)
Reach of 180 Arm	16" (40.6 cm)

800-558-4435

Available in these 5 standard colors and 9 custom colors.

Available in three models: VT21, VTLP Low Profile, VTTM Dual Arm

"The doctor noticed the stowed unit didn't stick out much farther than the hand sanitizer."

VT21 Low Profile Workstation

Stows in as little as 4" (10 cm) from the wall

- **COMPACT.** The Low Profile model stows just 4" (10 cm) from the mounting surface. The stowed depth of the VT21 is 5.5" (14 cm), and the stowed depth of the Dual Arm model is 7.5" (19 cm).
- **TRUE SIT-STAND.** All models provide 21" of vertical adjustment for comfort both standing and sitting.
- **EASY WEIGHT ADJUSTMENT.** Lift assist is adjustable for various monitor and keyboard weights using a hex key in the adjuster hole in the lower left end cap. The handy adjustment indicator on the left side shows the degree of lift assist being used.
- **SMOOTH HEIGHT ADJUSTMENT.** Locking Lift Assist easily raises and lowers unit. Locks securely at desired height.
- **ADJUSTABLE MONITOR** with two height settings.
- **ERGONOMIC.** The WorkSurface Tray and/or Flip-Up Keyboard Tray can both be adjusted to positive, neutral, and negative tilt for greatest ergonomic comfort.
- **HYGIENIC.** Durable, easy-to-clean finish withstands harsh chemicals. Built with smooth aircraft-grade aluminum that doesn't allow microorganisms to hide.

Monitor, keyboard and mouse not included.
